| <b>8:58</b>  | 8:54          | 9:41                          | 7:53                 | 7:13           | 6:42                            | 6:45                     | 28/29 Aug    | כי תבא                |
| <b>8:40</b>  | 8:36          | 9:46                          | 7:36                 | 6:59           | 6:28                            | 6:45                     | 4/5 Sep      | נצבים-וילך            |

For those not in the Bet Hakeneset, but wishing to bring in Shabbat with the Kahal, candles should be lit about 30 minutes after the time listed for Minha and Kabbalat Shabbat. (Unless the time listed in the 'latest candle lighting' column is earlier, when candles should be lit by that time, in all cases.)
